

BQT Scaling Trade Contest! – Win 2% Bonus of Buy Volume and Get Lottery of 50% Winning Probability!

Dear valued customers,

CoinAll will launch BQT Scaling Trade Contest at 17:00 July 19, 2019 (HKT), giving out attractive bonuses to users!

Time: 17:00 July 19, 2019 (HKT) - 17:00 July 26, 2019 (HKT)

Rules:

a. How to Participate

All users that have completed KYC1 verification can join. Simply buy BQT on spot trading market to join this contest;

b. Award Conditions

During the contest period, the top 20 users/teams with the largest BQT buy volume can get 2% of the buying volume as bonus, please refer to the team and ranking details in “e. Prizes” below; During the contest period, you can also participate in the Fee Lottery Game, 50% chance to get the bonus of the transaction fee of trade contest. For details, see “f. Fee Lottery Game”.

c. Buy Volume

The buy volume refers to the volume a user taking a sell order (as a taker). The volume of buy orders you place and taken by other users will not be counted towards the volume, and partially traded orders will be counted partially. The buy orders traded at market price will all be counted towards the buy volume. There is a limit on the Buy Volume for each user. At the start of the contest, each user will have a 5000 BQT buying limit (100 BQT prize cap). If the buying volume exceeds 5000 BQT, only 5000 BQT will be counted. Users can invite friends to increase their Buy Volume limit. For details, please refer to the invitation rules below;

d. Invitation Rules

- a) How to Invite: When the new users you invited complete KYC1 verification and each of their Buy Volume is at least 100 BQT, your invitation is deemed successful. You can get the invitation link here: <https://www.coinall.live/account/balance/inviteReturn/returnDetail>
- b) Invitation and prize details (table 1):

Table 1 – Invitation and Prizes Details

Invitation Tier	Requirement	Buy Volume Limit Increment from n new tier-1 Users	Buy Volume Limit Increment from m new tier-2 Users	Invitee Reward	New User Reward
Level 0	KYC1 or above and trade any BQT	150*n BQT	30*m BQT	2% of their own Buy Volume + 0.1% of tier-1 users' Buy Volume + 0.04% of tier-2 users' Buy Volume	tier-1 users can get
Level 1	Invite 3 tier-1 users	300*n BQT	60*m BQT		0.5% of their own BQT Buy Volume
Level 2	Invite 5 tier-1 users and 10 tier-1 users	500*n BQT	100*m BQT		tier-2 users can get
Star Trader	Invite 50 tier-1 users or 50 tier-2 users	$100000 \times (1 - 0.992^n)$ BQT	$20000 \times (1 - 0.992^m)$ BQT		0.2% of their own BQT Buy Volume

*Buy Volume limit increment refers to the amount to be added on top of the original 5000 BQT limit.

*Tier-1 users refer to users the invitee directly invited, and tier-2 users refer to users invited by tier-1 users.

*Please note that once the bot brushing behavior is discovered, disqualification.

e. Prizes:

- a) Invitee and their tier-1 and tier-2 users are treated as a team; if a user does not invite any new users, they will form teams on their own. Participants will be ranked according to the team buy volume; team buy volume = personal buy volume + 20% of their tier-1 users' buy volume + 2% of their tier-2 users' buy volume.
- b) If a user is the invitee of a team and the tier-1/tier-2 user of another team, when all of their teams entered top 20, they can enjoy multiple bonuses.

f. Fee Lottery Game

During the event, you can invite a new user to get a lottery of 50% winning probability. All winning users will split 80% of the transaction fee generated by the trading contest.

- a) Participation conditions: Only users who have passed KYC1 and have traded BQT will participate. The invited new users also need to pass KYC1 and trade BQT during the event period to be considered as a successful invitee.
- b) Successfully inviting one new user can get one lottery, up to 3 lotteries per person.
- c) As long as the user has been invited during the event and the requirement is met, it is deemed to be automatic participation, and no application is required to participate in this game.

Prize Distribution

We will calculate the final ranking according to the ranking at 17:00 July 26 2019 (HKT). If no objection is raised within 3 days after the result is announced, we will distribute the prizes in BQT to the relevant Funding Accounts. The Fee Lottery Game's prize will also be distributed within 3 days after the announcement.

In case of any dispute, CoinAll reserves the right of final decision.

Regards,

CoinAll
